Day For Strings: ¡Baile! Dancing Around the World

October 7, 2021

Dear High School Orchestra Parents and Students,

November 4th is **Day For Strings**, our biennial, day-long celebration of the Bay Orchestras! This year we welcome the incomparable Dianna Richardson from Cleveland School of the Arts as our guest clinician. Ms Richardson will work with our students during the day and lead them in an extraordinary evening concert. This is always a memorable experience and one we hope your family will enjoy.

Please familiarize yourself with the schedule. Students are *required* to attend the after-school rehearsals as well as the concert. High school students have some additional rehearsals to

- 3B Combined String Rehearsals: On these dates all string players will rehearse 3B and bring lunch to their regularly-scheduled orchestra class. If you do NOT have lunch 3B please talk to Mrs. Singler.
- After-School Full Orchestra Rehearsals: We are asking all members to attend two regularly-scheduled after school Chamber Orchestra rehearsals so we can put Russian Sailor's Dance and Firebird together with all the strings and winds. If you have a conflict with one of those please let me know ASAP.
