### **The Carleen Herring Bonds Fund**

My dad, Bill Bonds, and I have established the Carleen Herring Bonds fund, in her memory. This fund will help support 2 music lesson rooms to be part of the renovation of the former playhouse at BAYarts. This will offer the opportunity for local vocal, piano and guitar lessons that will be taught by professionally trained musicians. We need your help to make it happen!

*Donations can be made online at [bayarts.net/donate/options](http://bayarts.net/donate/options) or by calling 440-871-6543. People may also contact Nancy Heaton, BAYarts' executive director, at [nancy@bayarts.net](mailto:nancy@bayarts.net), for more information on the expansion and making a gift.*

### **The family and friends of Curt Crews have established the Bay Village High School Choral Scholarship Fund**

This scholarship celebrates and pays tribute to the 28 years that Mr. Crews served as the teacher of vocal music at the Bay Village Junior and Senior High Schools (1952-1980). Mr. Crews is probably most remembered for the "Singing Christmas Tree," which he brought into being in 1958.

For more than fifty-five years, the Bay Village High School Choral Music Program has been a model of excellence for many schools in Ohio. It is the hope of the Crews family, that the gift of song will continue to inspire many more young people, and that this important choral music program will thrive in perpetuity.

This scholarship is for graduating seniors who are seeking a degree in: Choral Music Education, Vocal Performance, Musical Theater, and/or Music Therapy.

*Individuals who care to join the Crews family in contributing to this scholarship fund are invited to do so by submitting their tax-deductible contribution to: The Bay Village High School Choral Scholarship Fund, Attn. Devon Gess, 29230 Wolf Road, Bay Village, Ohio 44140*

### **The Carleen H. Bonds English as a Second Language Memorial Scholarship Fund**

The Carleen H. Bonds English as a Second Language Memorial Scholarship Fund was established in 2017 after the death of Carleen, loving mother to Devon T. Gess. She was a 1962 Bay High School grad and sang under the direction of Curt Crews all four years while at Bay High School. Carleen was a dedicated ESL educator for 18 years in The Bay Village City Schools.

*Individuals who care to join the Bonds/Gess Family in contributing to this scholarship fund are invited to do so by submitting their tax-deductible contribution to: The Carleen H. Bonds English as a 2<sup>nd</sup> Language Scholarship Fund, 5/3 Bank or Attn. Devon Gess, 29230 Wolf Road, Bay Village, Ohio 44140*
