

## annual membership drive

marching band \* jazz band \* concert band \* orchestra \* chorus

Bay Music Boosters is a volunteer nonprofit in existence since 1961.  
We have supported the Bay Music Program through  
your generous donations of membership.  
In Grades 4-12, over 1000 students benefit from your generosity every year!

### How do your donations help?

Your donations help with uniform maintenance and replacement for marching band, Rockettes, choir, middle and high school blazers, concert gowns, and tuxedos. You also make coaching, scholarships, concert fees, instrument repairs, and purchases possible!

During the 2021-22 season, your contributions helped the Bay Music Boosters purchase new drum harnesses, concert tubas, percussion mallets, pom-poms, a baritone sax, cellos, basses, and music stands. Bay Music Boosters supplied new copier equipment for the music department, significant funding for the Disney trip, 3rd quarter snacks, and hospitality service for musical guests.
