Uniforms: Tracy Deibel

Uniforms are in the attic and will remain stored up there due to the uncertainty of marching band season. The Manhattan Cleaners are paid.

Eleven (11) hats, two (2) FC jackets, and one (1) trouser were delivered from Stanbury Uniforms. It is recommended that no further uniform orders be placed for this generation of uniforms unless absolutely necessary.

Tuxedos and Gowns: Colleen, Kate, and Ginny

Chairs (Colleen and Kate were checking on status of returns (seniors only). Asked advice on purchasing new ones. Not a lot of "middle" sizes. Mindy Thomas might have a lead.

Needing more bowties. Suggestion to waive fees if tuxes still fit and nothing needs to be exchanged?
